WHOLESALE COST ADJUSTMENT:

The bill calculated at the above rates shall be increased or decreased subject to the provision of the Cooperative's wholesale cost adjustment Schedule P.

SUMMER/WINTER BILLING MONTHS:

Winter: October – April
Summer: May – September

TERMS OF PAYMENT:

If the account is not paid by the due date, a late fee in the amount specified in the Service Rules and Regulations may be added to the account. Further failure to pay a bill may subject a customer to disconnection and/or disconnection charges in accordance with the Cooperative's rules and regulations.

All charges are subject to applicable taxes.

MULTIPLE SERVICE:

Where two or more dwelling units are served through a single meter, all elements of this rate shall be multiplied by the number of dwelling units so served. The minimum monthly bill under this option shall be \$11.00 times the number of dwelling units served.

Effective: June 1, 2006

BUDGET BILLING:

The customer may elect, with Cooperative approval, the option of being rendered a budget bill, which has the effect of leveling the customer's monthly bill amount.

LOAD MANAGEMENT ADJUSTMENT:

All customers participating in the Cooperative's Load Management Program are eligible to receive a credit on their bill. The amount of the monthly credit will be determined under the provisions of the Cooperative's Load Management Adjustment Rider (LM).

SENIOR CITIZEN – LOW INCOME ASSISTANCE

Qualifying customers certified by the Cooperative will be eligible for a \$7.50 credit to be applied to the \$11.00 service charge or minimum monthly charge.

To qualify, the customer must be 62 years of age or older with total household income of \$14,355 or less per year, provided that the electric service is in the customer's principal place of residence and is individually metered and in said customer's name.

CONTRACT PERIOD:

One year
