

JACKSON ELECTRIC MEMBERSHIP CORPORATION
SCHEDULE APEV-17
RESIDENTIAL PLUG-IN ELECTRIC VEHICLE SERVICE

AVAILABILITY:

All qualified customers in the area served by the Cooperative. Availability will be determined on a case-by-case basis at the sole discretion of the Cooperative.

APPLICABILITY:

Service is applicable only to single-family dwelling units owned and occupied by the customer for permanent year-round service.

Available to qualified customers upon request. Qualifying customers shall meet the description defined below.

- a. Provide the Cooperative with documentation verifying possession of qualified Plug-in electric vehicles (PEV). A qualified PEV is defined as manufactured primarily for use on public streets, roads and highways. Electric scooters, electric bicycles, golf carts and motorized electric wheelchairs do not qualify.
- b. If charging station installed, it shall be single-phase and shall not to exceed 7.8 kW.
- c. If charging station installed, it shall be on a dedicated circuit breaker and follow all applicable codes and regulations.

Service shall be provided to the customer under this rate schedule for a minimum of twelve consecutive months. This schedule is experimental and may be modified or discontinued by the Cooperative at any time after giving the customer sixty days written notice.

MONTHLY RATE:

Service Charge		\$21.00 per month
All On-Peak kWh	@	34.50¢ per kWh
All Off-Peak kWh	@	7.71¢ per kWh
All Super Off-Peak kWh	@	6.49¢ per kWh

MINIMUM MONTHLY CHARGE:

The minimum monthly charge is the Service Charge.

WHOLESALE COST ADJUSTMENT:

The bill calculated at the above rates shall be increased or decreased subject to the provisions of the Cooperative's wholesale cost adjustment Schedule P.

CONTRIBUTION IN AID TO CONSTRUCTION:

The Cooperative may need to furnish facilities in addition to those facilities currently provided. The customer will be responsible for an upfront non-refundable contribution in aid to construction. The contribution in aid to construction is in addition to any charges billed under the rate schedule applicable to the customer. The contribution in aid to construction will not apply to fulfill any minimum charges specified in the applicable rate.

TERMS OF PAYMENT:

If the account is not paid by the due date, a late fee in the amount specified in the Service Rules and Regulations may be added to the account. Further failure to pay a bill may subject a customer to disconnection and/or disconnection charges in accordance with the Cooperative's rules and regulations.

All charges are subject to applicable taxes.

DETERMINATION OF ON-PEAK, OFF-PEAK ENERGY AND SUPER OFF-PEAK ENERGY:

The On-Peak Energy shall be all kilowatt-hours used by the customer beginning at 3:00 p.m. and ending at 8:00 p.m., Monday through Friday, from June 1 through September 15, excluding the observed Independence Day and Labor Day holidays.

The Off-Peak Energy shall be all kilowatt-hours used by the customer beginning at 7:00 a.m. and ending at 3:00 p.m. and beginning at 8:00 p.m. and ending at 11:00 p.m., Monday through Friday, from June 1 through September 15. Off-Peak Energy will also include all kilowatt-hours used by the customer beginning at 7:00 a.m. and ending at 11:00 p.m. during weekends, holidays and from September 16 through May 31.

The Super Off-Peak Energy shall be all kilowatt-hours used by the customer beginning at 11:00 p.m. and ending at 7:00 a.m., Monday through Sunday, for all calendar months.

BUDGET BILLING:

The customer may elect, with Cooperative approval, the option of being rendered a budget bill, which has the effect of leveling the customer's monthly bill amount.

LOAD MANAGEMENT ADJUSTMENT:

All customers participating in the Cooperative's Load Management Program are eligible to receive a credit on their bill. The amount of the monthly credit will be determined under the provisions of the Cooperative's Load Management Adjustment Rider (LM).

SENIOR CITIZEN - LOW INCOME ASSISTANCE:

Qualifying customers certified by the Cooperative will be eligible for a \$12.50 credit, to be applied to the service charge or minimum monthly charge.

To qualify, the customer must be 62 years of age or older, with total household income at or below 100% of the current year's Federal Poverty Guidelines (FPG) annual income level for a family size of two (2), provided that the electric service is in the customer's principal place of residence, is individually metered, and in said customer's name.

The current year's Federal Poverty Guidelines (FPG) annual income levels are provided by the Georgia Department of Community Health and can be found at dch.georgia.gov/federal-poverty-guidelines-0.

CONTRACT PERIOD:

One year
