

Jackson EMC Existing Home Rebate Program Form

Note: Rebates are limited to houses at least three years old. Rebates are processed only after the improvements have been satisfactorily completed. Rebates will be paid on qualifying improvements only. Rebate application processing and payment takes 3-6 weeks. All rebate applications for existing home heat pump replacements must be ENERGY STAR rated, minimum 15 SEER and total electric. Rebates are not available for dual fuel heat pump systems or tankless water heaters. Both heat pump and water heater replacement rebates must be submitted to Jackson EMC within the calendar year the qualifying purchase was made to be eligible for payment.
