\* For participation in the HomePlus Loan Program or HPwES audit program, it is mandatory that contractors be active in the network and in good standing at the time the work proposal is written.

\*\*This list does not serve as a Jackson EMC endorsement of the contractors on this list or their work. These contractors have met licensing, insurance, and professional business practices for the state of Georgia only. These businesses have also attended professional training recommended by national programs to enhance their ability to make installations that achieve energy efficiency. Jackson EMC is not making, will not be providing, and specifically disclaims any warranties, covenants, representations, or guaranties, express or implied, in connection with the equipment or the programs themselves, including, without limitation, those regarding merchantability or fitness. Warranties with respect to the equipment are strictly manufacturer's warranties. Jackson EMC shall in no way be liable or responsible for any equipment installed or any act or omission of any other entity or individual, including, without limitation, any contractor, technician, or other service provider. Jackson EMC reserves the right to cancel or modify its programs at any time in its sole discretion.
